Adopted Electric Aggregation Plans Uploaded

CPCNH inadvertently uploaded certain draft versions of Member Electric Aggregation Plans in the RFP Reference Materials posted on 25 April 2022.

All Electric Aggregation Plans have now been updated to reflect the final versions adopted by CPCNH Member legislative bodies to-date, which include:

1. City of Lebanon
2. Town of Hanover
3. Town of Harrisville
4. Town of Exeter
5. Town of Rye
6. Town of Walpole
7. Town of Plainfield
8. Town of Enfield

Please refer to the [RFP Dropbox Folder Link](#) on CPCNH's [Solicitation webpage](#) to download these documents.

Additionally, be advised that CPCNH is currently drafting additional appendices for inclusion in all Member CPA Electric Aggregation Plans that will provide further detail regarding data security requirements and considerations. CPCNH will release another addendum with the new appendices over the near-term to inform the development of proposals in response to the RFP.
